

“Dad” Robert K. Tutt Memorial Scholarship Application

The “Dad” Robert K. Tutt Memorial Scholarship was established in 2019 to honor “Dad” Tutt. For over 30 years, Dad Robert K. Tutt, Executive Officer Emeritus’ enthusiasm for DeMolay never waned. He dedicated his life to inspiring young men to become leaders in DeMolay, enabling them to improve themselves so they might serve their communities and make the world a better place. He instilled in them the seven cardinal virtues of DeMolay. He taught many DeMolays to mean what you say and say what you mean and to be true to your principles. As Executive Officer, “Dad” Tutt expected that DeMolays put forward their best efforts and display the virtues of DeMolay through their lives.

This scholarship seeks to honor “Dad” Tutt’s memory by rewarding DeMolays who continue to meet his expectations for a DeMolay. As such, not only will your academic credentials be reviewed, but the extent to which you have made DeMolay a part of your life. In the DeMolay degree, the Master Councilor points out that a DeMolay’s merit will be measured “by the extent to which you carry into your daily lives the lessons and examples [of DeMolay], and by the extent to which you translate those lessons and examples into service among your fellows.” That standard is what will be used to select the recipient of this scholarship.
